

Our mission is to improve student learning.

Principal's Pen:

Dear Parkway Families,

We are celebrating our awesome Parkway families the first week of February with Family Appreciation Week. Melanie Stellmon, our parent coordinator, has some activities planned, including a Monday Muffins event from 7:40-8:40 AM. We would love to see you here!

Parkway is the fantastic school it is because of our healthy parent support. Please remember to be involved in your kids' academic lives by talking to them about their day, and continuing to emphasize the importance of school. Thank you!

Eric Price,
Principal

*"It's a great day to be a
Parkway Panther!"*

From the Library: A/R Points Bike Contest

The Masons here in Clarkston donate two beautiful new bikes to Parkway every year. Students earn points toward winning one of these bikes by amassing Accelerated Reader points. For every 10 AR points, they can put a raffle ticket in the drawing for the bike of their choice. The bikes are on display in the library and are awarded at our last assembly before summer. The winners ride their bikes home! So get working on those reading books!

Thank you Costco for treating our parents to cookies and bottled water for our Student of the Month Assemblies and our Monday Muffins Open House Feb. 1! We appreciate your generosity and partnership!

From the Parent Handbook:

Student Release and Dismissal

Please send a note or call the school early to inform your child's teacher or the office staff if your child is to change his/her daily routine. If we have not been notified and cannot reach you or an emergency contact person regarding a change of routine, your child will be sent home per the usual routine.

From the Front Office:

Parkway Office Hours:

7:30 a.m. to 4:00 p.m.

School Hours 8:40 a.m. to 3:00 p.m.

Phone: 1-(509)769 5561

Our school office receives phone calls each day from parents asking to pass information on to students. Very often the message relates to after school plans – go home with grandma, ride the bus, what time is an activity over?, etc.

To help minimize classroom interruptions, after school arrangements should be communicated to your child BEFORE they leave for school in the morning.

Remember if you are varying the way in which your child usually goes home, we must have a signed note from you.

*During the school day phone calls will not be put through to classrooms, except for emergency situations.

Thank you for helping us preserve valuable instructional time.

From Amy in the Office:

Parents, pink notices are being sent home with your child to inform you of the balance due on their lunch account. Please send the balance as soon as it is feasible. You can send money for future purchases as well. If you have any questions, call Amy.

Thank You to Food Service

Our breakfast and lunch cooks, Lynne and Paula, work so hard to provide a delicious, nutritious breakfast and lunch for your students every day! When you see them, THANK them!

Reminder: Breakfast is served at school from 8:00-8:30am **only**. If you would like your child to eat breakfast with us at school, please be certain they are in the lunchroom before 8:30am.

Box Top Drive / Campbell's Soup Labels Drive
