

Parent- Teacher Request for 2020-21

Student placement is one of the most important staff responsibilities. It is crucial that classes are balanced by a number of criteria that affect instruction and class atmosphere. Parent requests will be considered in addition to such things as academic level, social maturity, work and study habits, gender, and combinations of students. The teachers will follow these criteria and reflect individual student needs in making the placement. If you have a concern that your child may not be a good educational or social fit with a particular instructor, **please fill out this form and return to the main office no later than Friday, March 27, 2020.**
